PAKISTAN

Round the Bay in 2 Days

15-16 May 2004

This ride is not new to many cyclists, but it is new to Bike for Bibles. If you enjoy this ride as much as thousands already do, why not take part in this 2 day event, and raise money to take the Gospel to Pakistan. Enjoy the scenery of the bay, while in the company of people who care about what they are doing, and riding together as a team, not as individuals. Encourage and be encouraged as you share in a ride with people who have a mission and purpose.

Bicentennial Bash Ride

26 September to 2 October 2004

This ride will celebrate 200 years of The Bible Society, and also 20 years of Bike for Bibles. The ride will begin in SA, and will take in the beautiful South East, before we journey through South Western Victoria, finishing in Geelong. NOW is the time to get signed up so you can begin to ride regularly, and start fundraising for our 2004 project in Pakistan. We all can't go to Pakistan to tell people about God, but you can get on your bike and through doing something you enjoy, take the Gospel to others.

Hold your own Bike for Bibles Ride

You can have your very own Bike for Bibles ride, and make it suitable for your church, youth group, school or organisation. As the organiser of the ride, you decide when, where, who and how for your event, with as much support as you need from the Bike for Bibles office.

PROJECT PAKISTAN

2004

“Impact a generation with God’s Word”

Pakistan is a beautiful country, and offers a great variety of vistas which range from some of the highest mountains of the world, to fertile plains and arid deserts. The work of The Bible Society in Pakistan began in 1863. In recent years they have had to navigate the increasingly hostile landscape of Pakistan with great wisdom and sensitivity. Up to 97% of Pakistan’s population is Muslim, while only 2.5% (3.7 million) is Christian. They are one of the largest Christian communities in any Muslim nation. Christians have inherited the jobs of their lower caste Hindu descendents and work mainly as cleaners, earning a meagre \$2.50 per day. More than half the Christian population lives below the poverty line and they struggle simply to survive. Bibles are not illegal in Pakistan, but they cannot be read in public. The Bible is made available through stalls, festivals and Church events, however many Christians are too poor to afford one. 57% of the population in Pakistan are illiterate. The Bible Society produces Scripture Based literacy materials which will enable people to learn God’s Word and improve their reading skills. Children will learn the Urdu alphabet using Bible Characters and verses. YOU WILL MAKE A DIFFERENCE IN PAKISTAN THROUGH YOUR PARTICIPATION, PRAYER AND SUPPORT.
