A support vehicle driven by 'roadies' will carry all luggage, first aid, food, spares and mechanical equipment. All you need to carry on your bike is a water bottle.

This is a fundraising event and all participants are required to fund raise from friends and family prior to the ride. The fundraising target set for this ride is \$800 which has proved to be a very reasonable and reachable target so don't let it daunt you. Donations over \$2 are tax deductible.

A \$25 registration fee is due with your registration form. On Road Costs of \$95 are required prior to the ride commencing (this will cover your transport, food & accommodation).
