July 2002

What a privilege it is to be able to write to you. I have asked David Pascoe if he would mind me writing to endorse his involvement as a vital member of the Perth to Hobart Bike for Bibles Ride in 2003.

David has given the commitment to donate many weeks of his own time and to use hundreds of dollars of his own money to pay his own on road costs. I believe that kind of commitment should be rewarded with a willingness by others to support David in his dedication.

Not only will David be riding from Perth to Hobart, starting in September 2003, he'll need to put in many hours of training and dedicate himself to raising the necessary sponsorship funds. The money he raises will be helping fund Bible Society Literacy Projects in India.

Having seen David's devotion to this event, I am confident that he will give his all to the tasks that he will need to perform.

David is making many sacrifices to follow God's call. Will you give sacrificially to support him? Are you prepared to spend time praying for David and his fellow team members? Please consider your involvement through supporting David.

Warm regards
